

# We are here for you!

Fully staffed with our dedicated team

During the upcoming holiday, and throughout the summer months, you can rely on Walker Methodist Health Center to be ready for your patient's release.

Whether it be short-term or long-term care, the Health Center provides exceptional health services and attentive care in a variety of settings to meet the specific needs of your patient:

Long Term Care • Transitional Care (TCU) • TCU for Delirium/Memory Care  
Memory Care • In Patient/Out Patient Rehab
